

**The Protestant Reformation  
Evaluated Work**

**Exercise 1**

**2,5pts**

Define each of the following terms as used in the booklet in pages 56 to 60, using your own words:

95 Theses

Indulgence

Reformation

Edict of Worms

Peace of Augsburg

**Exercise 2**

**10pts**

Use the table of page 56 and 57 + what you learnt from the video on the Reformation (and handout):

**What, in your opinion, are the three most important causes of the Reformation? Justify your response by explaining how and why you made your particular three choices.**

*This means you need to plan and develop a **substantial response**. Justifying your opinion requires you explain the decisions behind your three choices and by implication also explaining why you did reject the other possible causes identified in the video and on page 57.*

**Exercise 3**

**6,5pts**

Use the information in the table on page 60 to answer the following question:

What are the **key** differences between Roman Catholicism, Lutheranism and Calvinism?

This question requires you to identify the key (this means what you consider to be the major) differences – you should not simply put everything in the table into your paragraph – you must choose and justify your choices if you want to get all the points.
