

HG T°BFI Summer Assignment

To prepare for the History-Geography program which covers the post 1929 period you need to have completed a lot of background reading. This must be done during July and August **before** you start T°BFI otherwise you will be **overwhelmed**. To confirm you have undertaken this reading and evaluate your level of comprehension there will be several tests in classes during September and October.

PART ONE: Prisoners of Geography by Tim MARSHALL

ISBN 978-1_78396-243-3

Ideally read all of this book. It is written in a very accessible style but prioritize the following sections:

2. China
3. USA
10. The Arctic

PART TWO: Study and revise the PowerPoint on the blog entitled History and Geography Terms Revision for Sept Tests.

PART THREE: The World Since 1945 by T.E. VADNEY
